Discover Arizona

Arizona is home to the Grand Canyon, painted crimson by towering red rocks, accentuated by cobalt and turquoise waters, and home to several tribes of Native Americans with distinct cultures.

Come to be inspired by beautiful and enchanting Arizona whether hiking in canyons, meditating under a blazing sunset, listening to the notes of a Navajo flute, or kayaking down the Colorado River under a blanket of stars.

Can't Miss Highlights:

Experiences

Rejuvenating Private Meditation and Hike with Benny

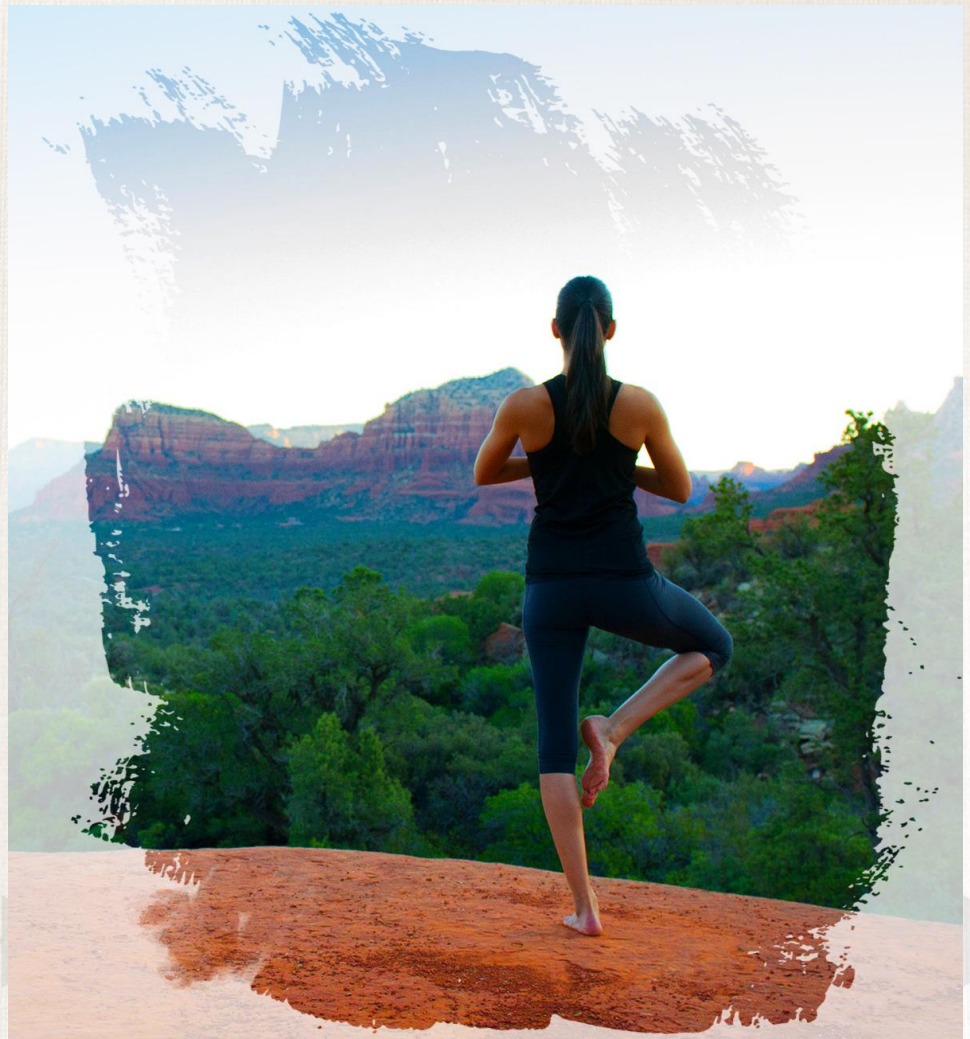

Sedona, Arizona

The Experience: Hike into a pristine and private area of Oak Creek Canyon to be lead through a rejuvenating meditation and Vedic yoga practice designed to quiet the mind, rejuvenate the body, and replenish your spirit.

The Setting: In the gorge of Oak Creek Canyon, alongside the rhythmic flow of a creek, and at the base of forested canyons, you will find a serene and private retreat for your guided practice.

The Guide: 'Benny' has guided government leaders, professional athletes, and any who come looking to be inspired by nature. His background as a park ranger, archaeologist, and naturalist in Sedona brings a unique perspective to each of his tours.

Dinner under the stars with Navajo Performances

Lake Powell, Arizona

The Experience: Be treated to delectable cuisine prepared by your personal chef using local ingredients tonight. Dine at the base of canyons and be transported to another time as you enjoy music and dancing by traditional performers from the Navajo tribe.

The Setting: Enjoy a private setting under the stars as you are surrounded by the dark canyon walls that surround Lake Powell.

The Guide: Chef Jeff has a passion for adventure and cooking that has led him to create masterful meals that highlight local ingredients. While you enjoy your specially created meal, be serenaded in ancient canyons by Navajo performers who have called this landscape home for centuries.

The Best Way to See Lake Powell: Water Sports and a Private Picnic

Lake Powell, Arizona

The Experience: Explore this region in the best way possible: in a Malibu Wakesetter speed boat! Cruise across turquoise waters between ochre and white formations, try your hand at wakeboarding or water skiing, and lounge in the warm sun. When you're ready enjoy a picnic in a private beach cove.

The Setting: Lake Powell is a man made reservoir on the Colorado River that is known for its otherworldly landscapes created by jutting rocks and canyons and languid blue waters.

The Guide: Captain Andy is most at home when on the lake. As a USA Waterski Certified Instructor and U.S. Coast Guard Merchant Marine Captain he will keep your day both safe and fun!

Hiking Adventure and Luxury Camping in the Grand Canyon

Grand Canyon National Park

The Experience: Experience the Grand Canyon in a way that few people can even imagine! Stay along the rim or venture below on this three day hiking and luxury camping journey. Enjoy the knowledge of your guides, the spectacular cuisine provided by your private chef, and a special insight into Native American culture.

The Setting: The Grand Canyon is one of the most iconic landscapes in the world, even being viewable from space! Their red rocks are especially enchanting during sunset or under the Milky Way.

The Guide: 'Benny' has guided government leaders, professional athletes, and any who come looking to be inspired by nature. His experience will reveal the complexities of the canyon in an entirely new way!

Under the Stars Kayak Journey on the Colorado River

Grand Canyon National Park

The Experience: Glide down the Colorado River in a clear kayak alight with soft neon lights. Bask in the natural beauty of the emerald green waters below and the starry night sky above. Experience the canyon at its most peaceful time, when most visitors are back in their hotels.

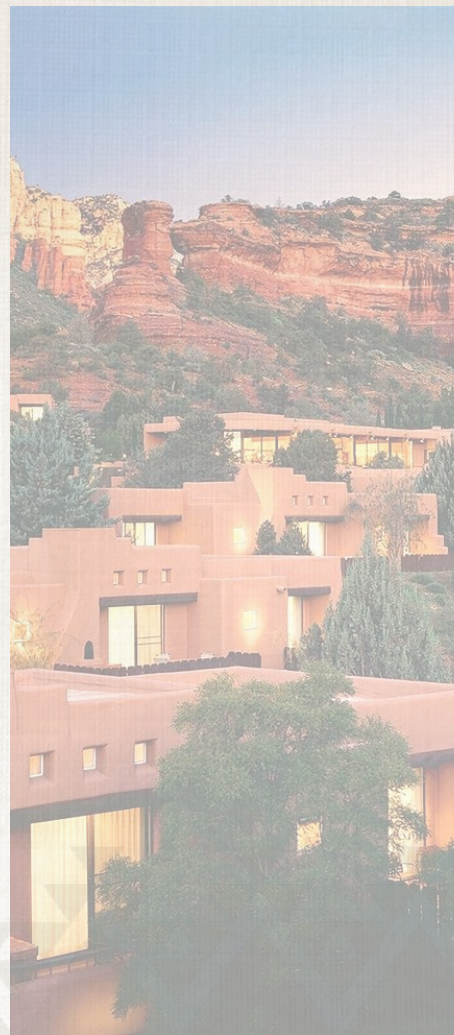

The Setting: Float on the Colorado River in a calm and tranquil section near the Hoover Dam. Be amazed by the towering walls and the clear night sky.

The Guide: Our special guides are not only well experienced with kayaking but are experts in the natural formations and history of the canyon.
