Experiences

Paddle Board Yoga in a 10,000 Year Old Hot Spring

Park City, Utah

The Experience: Travel underground and join your guide Julia for a private and therapeutic practice in the thermal waters of the Homestead Crater. Don't be worried to fall as you will be warmed by the 95 degree mineral water!

The Setting: Immerse yourself in a 10,000 year old cave, with delicate light beams streaming in and turquoise water.

The Guide: Allow Julia to lead you through a delicate and sometimes challenging routine. She has been a local and expert guide of the area for over the past decade.

Hike the Narrows with Jon, the Zion Guru

Zion National Park

The Experience: Journey several miles deep into the Narrows with one of the most legendary guides in Zion. Hike over rocks, through water that can even reach the height of your thigh, and through dancing sun beams that filter past the rim. Meditate, try your hand at photography, and learn about the history of the enigmatic region.

The Setting: Discover cool cobalt water, towering walls composed of many shades of amber, and twisting formations 18 million years in the making.

The Guide: Follow and learn from Jon, the one and only Zion Guru. Jon knows these trails like the back of his hand as he has been adventuring and exploring Zion over the past 16 years.

Secrets of the Navajo with a Fourth Generation Medicine Man

Monument Valley

The Experience: Experience traditional music, storytelling, and wisdom of the Navajo from a fourth generation Medicine Man in this exclusive and private tour through Navajo Nation and Monument Valley. Hear the echo of the drum and the song of the flute in a natural amphether as your guide plays.

The Setting: Our focus is in the backcountry areas of Monument Valley where you will visit beautiful sandstone arches, natural amphitheatres and ancient petroglyphs.

The Guide: *"I am proud of my heritage and culture and want to share my experiences with others. Step back in time and join us at Moonlight Springs Ranch to learn about the traditions and culture of the Navajo."*

Stargazing with Astronomer and Dark Ranger in Bryce Canyon

Bryce Canyon

The Experience: Far from the light pollution of civilization, protected by a special force of park rangers and volunteer astronomers, Bryce Canyon is a sanctuary for natural darkness. Spend the evening peering into a cobalt sky filled with thousands of stars which form the Milky Way.

The Setting: Amber and crimson spires form what is known as 'hoodoos' that the canyon is famous for.

The Guide: John is both an Astronomer and Dark Ranger that knows both the land of the Canyon and the skies over it like the back of his hand.

River Rafting Camp Trip with an Olympic Gold Medalist

Moab, Utah

The Experience: Raft down the Colorado River and listen to the water whisper and churn over a range of rapid types. Whether you choose to have a shorter journey or camp along the banks, the stunning and dramatic landscape along the banks will be sure to inspire.

The Setting: Follow the Colorado River near Arches National Park as you journey through the edges of Castle Valley.

The Guide: Be guided by a kayak Olympic Gold Medalist who is ready to show you the tricks of the trade!

Take a Wild Ride Down Hell's Revenge Road

Moab, Utah

The Experience: Get a bird's eye view of Arches National Park, Hells Revenge is a wild 4x4 trail challenge that takes you on a roller coaster ride through an otherworldly landscape. Take the wheel of an extreme off road Jeep, and allow yourself to be guided by your expert co-pilot and even venture onto private trails, rarely accessed by any others!

The Setting: Hells Revenge is a rolling, Martian landscape outside of Arches National Park.

The Guide: Join an expert wild rider and even have a special BBQ lunch prepared by Joe 'the Bear' a man who even owns part of this infamous road!

iPhone Photography Tour in Arches National Park

Arches National Park

The Experience: Discover one of the most famous and beautiful parks in America on this photography tour – and don't worry, no professional grade camera needed! Be taken by an award winning iPhone photographer and see totally new and unique angles of some of the most photographed landscapes in the world!

The Setting: Arches National Park is a haven to geologists, hikers, and artists due to its unique and twisting sandstone arches that total over 2,000!

The Guide: Learn the art of capturing an arresting and breathtaking photograph by an award winning photographer!
